The Kenan Center will host our 2nd Annual g(ART)en on July 10 - 11. The cultural center is looking for proposals from artists for temporary installations to be on display throughout the Kenan Center Gardens.

Priority will be given to artists who demonstrate the ability to create weather-proof temporary sculptures that elevate the beauty of the Kenan Center Gardens. One of the awards will be reserved for an artist under the age of 21 years old.

Artists of all mediums are encouraged to safely walk the Kenan Center grounds to gain inspiration. Areas of focus are the gardens immediately surrounding the Kenan House Gallery, the Taylor Theater, Garden Terrace Walkway and Orchard leading to the Kenan Arena. Proposals are due by May 14 at 11:59 p.m.. Please email proposals to info@kenancenter.org, along with photos of 2-3 past pieces of work. Winners will be announced on Friday, May 28.
